If Anyone Falls In Love

Stevie Nicks

I hear a voice in the room next to mine
Feels good, sounds good
Closes the door from behind
And another voice comes through the doorI am dealing with a man
When away from me stays deep inside my heart
And he says if anyone falls in love
It will be one of usIf anyone falls in love
Somewhere in the twilight dreamtime
Somewhere in the back of your mind
If anyone fallsAnd I heard someone say
As my eyes turned away
He said, "I have loved many women
I have many times run away"
Ooh, I have never known the words
Well, I have tried to be true
Well, I have never known what to say, how to say
Seen anything today, I've never seen anything like youIf anyone falls in love
Somewhere in the twilight dreamtime
Somewhere in the back of your mind
If anyone fallsSo I'm never gonna see you deep inside my heart
But I see your shadow against, shadow against
Shadow against the wall
Baby, I see your shadow against the wallI hear a voice in the room next to mine
Feels good, sounds good
Closes the door from behind
And another voice comes through the door
Ooh, I am dealing with a man
When away from me, he stays deep inside my heart
Well, he says if anyone falls in love
Well it will be done to usIf anyone falls in love
Somewhere in the twilight dreamtime
Somewhere in the back of your mind
If anyone fallsIf anyone falls in love
Somewhere in the twilight dreamtime
Somewhere in the back of your mind
If anyone fallsIf anyone falls in love
Somewhere in the twilight dreamtime
Somewhere in the back of your mind
If anyone falls
