

# Ocean Deep

Cliff Richard

Ocean Deep  
Love cant you see Im alone  
Cant you give this fool a chance  
A little love is all I ask - a little kindnessIn the night  
Please dont leave me behind  
No - dont tell me love is blind  
A little love is all I ask and that is allOh love Ive been searching so long  
Ive been searching highnlow  
A little love is all I ask - a little sadness  
When youre goneMaybe you need a friend  
Only please dont lets pretend  
A little love is all I ask and that is all  
I wanna spread my wings - but I just cant fly  
As a string of pearls and pretty girls go sailing by  
Ocean Deep - Im so afraid to show my feelings  
I have sailed a million ceilings - in my -  
Solitary roomOcean Deep - will I ever find a lover  
Maybe she has found another  
And as I cry myself to sleep  
I know this love of mine Ill keep - Ocean DeepLove cant you hear when I call  
Cant you hear a word I say  
A little love is all I ask  
A little feeling when we touch  
Why am I still alone?  
Ive got a heart without a homeA little love is all I ask - and that is all  
I wanna spread my wings - but I just cant fly  
As a string of pearls and pretty girls go sailing by  
Ocean Deep - Im so afraid to show my feelings  
I have sailed a million ceilings - in my -  
Solitary room  
Ocean Deep - will I ever find a lover  
Maybe she has found another  
And as I cry myself to sleep  
I know this love of mine Ill keep - Ocean Deep  
Im so lonely lonely lonely...  
Maybe.
