Comeback Kid

Sleigh Bells

[Verse]
I know it's hard but
You've gotta deal with it
Why don't you look around
Show me what you're made of
Don't turn around
Go get your gun ready
Everyday there's a way to do it just right
Don't wanna take it and just say it isn't so
Bet you never know just where you gotta go
Don't wanna take it and just say it isn't so
Bet you never know just where you gotta go

[Pre-Chorus]
Don't run away cause that's a deal breaker
You gotta turn around, never let your guard down
I'll see you but I know it's gonna save you baby
You always run around breaking all the rules with it

[Chorus]
I know you tried so hard, but you can't even win
You gotta try a little harder, you're the comeback kid
I know you tried so hard, but you can't even win
You gotta try a little harder, you're the comeback kid

[Refrain]
You'll go away, but you'll come back some day
You'll go away, but you'll come back some day

[Verse]
I know it's hard but
