

# Hot Thing (feat. will.i.am)

Talib Kweli

Yeah, special dedication  
I'm sending this one out to you  
And you and you and you  
I said to you and you and you She cold blooded, I love how we meltin' the ice  
She like the sunshine of my life  
'Coz all I see is a hot thing and you're my hot thing  
And you're my hot thing and you're my hot thing Word, you keep my dark sky lit up at night  
So bright that you blindin' my sight  
'Cuz all I see is a hot thing and you're my hot thing  
And you're my hot thing and you're my hot thing Word, somebody like a flick, it got surprisin'  
twists  
I write the script, the main character, your thighs and hips  
Award for best supportin' role go to your eyes and lips  
The way you move your body got 'em stiff like a hieroglyph  
I watched you dance across the floor to the title track  
You 'bout to get me 'Off The Wall' like you Michael Jack'  
I make a scribe in your beauty, my sacred duty  
I will write a song, write a book, write a play, make a movie Hey, hey, hey, hey, special  
dedication Good love, you a sexy thing  
And all I'm sayin' is you got something I like  
Love that you like it  
Love that you like it, love that you like it Good love, you a sexy thing  
And all I'm sayin' is you got something I like  
Love that you like it  
Love that you like it, love that you like it Yo, I love your country ass, I love your city sass  
I love how your normal ways, you catch so pretty fast  
These dudes are pretty crass, harass you in your past  
I love how you snap back and get the last laugh  
I love the way your crib smell like Votivo candle incense  
The white voice you use on the phone when you handle business  
I love it when you freaky, I love when you a lady  
Rockin' door knockers from the late 80s, raisin' babies I love her, God bless you, your body  
somethin' special  
I love to play connect the dots with your facial freckles  
No need for fashion policin' because I love your style  
Whatever happen to Shanice, baby, 'I Love Your Smile?' I might be fallin' in love, should I let  
her know?  
A pimp told me if I love her, I should let her go  
I sing her praises every time they play this instrumental  
'Coz she instrumental to my life, to my life, to my life Hey, hey, hey, hey, special  
dedication Good love, you a sexy thing  
And all I'm sayin' is you got something I like

 You like the sunshine of my life  
 'Coz all I see is a hot thing and you're my hot thing  
 And you're my hot thing and you're my hot thing Word, you keep my dark sky lit up at night  
 So bright that you blinding my sight  
 'Coz all I see is a hot thing and you're my hot thing  
 And you're my hot thing and you're my hot thing Word, lemme take you by the hand  
 You need to tell your man, don't fight it, damn  
 Have you groupied out like excited fans  
 I promise you'll be climbin' walls like Spider-Man  
 Knees bucklin', you'll hit the floor when you try to stand up So you drop it like it's hot, oh so  
 heavy  
 You and me, we can leave now, we can go steady  
 How about we be jetty because I'm so ready  
 To bounce like a '64 Chevy, word Hey, hey, hey, hey, special dedication Good love, you a sexy
