

Sunny Side Up

Surfaces

[Chorus]

I keep my sunny side up (Sunny side)
So they can see me from above (Ooh)
I keep my sunny side up (Sunny side)
No more runnin' from the love, no more, no more
I keep my sunny side up (Sunny side)
So they can see me from above
I keep my sunny side up (Sunny side)
No more runnin' from the love

[Verse 1]

Yeah, ayy

Pour me up some OJ, have it fresh squeezed
Sizzle up some pico and some bay leaves
Make sure that it's on low, let the top breathe
Mm, let the top breathe, gotta let the top breathe

[Pre-Chorus]

Crack another egg on it (Egg on it)
Me and you could make the best omelette, yeah (Best omelette)
Never seasoned so it's our timin'
You can smell the good vibes risin'

[Chorus]

I keep my sunny side up (Sunny side)
So they can see me from above
I keep my sunny side up (Sunny side)
No more runnin' from the love, no more, no more
I keep my sunny side up (Sunny side)
So they can see me from above
I keep my sunny side up
No more runnin' from the love, it goes

[Verse 2]

Sweet like sugar, smooth like cream
Warm like the steam risin' on my caffeine
Cozy as a coop, had to get you in the loop
Cooking in the kitchen, all I really wanna do is

[Pre-Chorus]

Crack another egg on it, yeah
Me and you could make the best omelette, mm
Never seasoned so it's our timin'
You can smell the good vibes risin'

[Chorus]

I keep my sunny side up (Sunny side)
So they can see me from above
I keep my sunny side up, mm (Sunny side)
No more runnin' from the love, no more, no more
I keep my sunny side up (Sunny side)
So they can see me from above
I keep my sunny side up
No more runnin' from the love

[Outro]

Ooh, I keep my sunny side up
You keep your sunny side up
We keep our sunny sides up
