Whipping lane lane yeah, nigga ride a Ghost
Whipping grain grain, yeah baby do the most
Both fucked twice, yeah eighth in my cup
Swervin', swervin', sippin' I don't nothin' much

Whipping lane lane yeah, nigga ride a Ghost
Whipping grain grain, yeah baby do the most
Both fucked twice, yeah eighth in my cup
Swervin', swervin', sippin' I don't nothin' much

You know just what to do with it
If I stop I fall
And lowkey you got me used to it
And I love it when we sip and cruise at night
Put me in the mood like you all mine
Never gave my body, yeah yeah that's fine
Pullin' on your back, boy all night while we-

Whipping lane lane yeah, nigga ride a Ghost

Whipping grain grain, yeah baby do the most
Both fucked twice, yeah eighth in my cup
Swervin', swervin', sippin' I don't nothin' much

Whipping lane lane yeah, nigga ride a Ghost
Whipping grain grain, yeah baby do the most
Both fucked twice, yeah eighth in my cup
Swervin', swervin', sippin' I don't nothin' much
