

# Every Time You Go Away (Extended Remix Version)

Paul Young

Hey!, if we can't solve any problems

????????????????????

Then why do we lose so many tears?

?????? ????????????????

Oh, so you go again

?? ????????????

When the leading man appears

????????

Always the same theme

????????

Can't you see, we've got everything goin' on and on and on

????????????????????????????????Every time you go away you take a piece of me with you

????????????? ????????????????

Every time you go away you take a piece of me with you

????????????? ???????????????????

Go on and go free, yeah

???????? ??????

Maybe you're too close to see

??? ????????????????????

I can feel your body move

????????????

It doesn't mean that much to me

??????????????????

I can't go on singing the same theme

????????????????????

'Cause can't you see, we've got everything baby even though you know

????????????? ?????????????????????Every time you go away you take a piece of me with

you, oh

????????????? ????????????????

Every time you go away you take a piece of me with you

????????????? ???????????????????

Can't go on singing the same theme

????????????????????

'Cause baby, can't you see, we've got everything goin' on and on and on

????????????????????????????????Every time you go away you take a piece of me with you

????????????? ????????????????

Every time you go away you take a piece of me with you

????????????? ?????????????????Every time you go away but I don't care...

????????????? ???????...

Every time you go away you take a piece of me with you

??????????? ????????????????

Don't leave me all alone, picking up the pieces...

??????????? ????????????...

Every time you go away you take a piece of me with you

??????????? ????????????????
