[Verse 1: Nick Jonas]

If I was yours and you were mine  
But it was all good (yeah)  
You were gone and I was back  
And I was good and you were bad  
But it was all good

[Pre-Chorus: Nick Jonas]

'Cause I'm an addict, I'm your patient  
Your lips are the medication  
Come here baby, yeah, you know just what I want  
You got that

[Chorus: Nick Jonas]

Bom bidi bom bom bom bom bom  
Bom bidi bom bom  
You give me bad bad love  
But I love it baby  
Love me all night long  
If you want baby, like  
Bom bidi bom bom bom bom bom  
Bom bidi bom bom bom  
'Cause you're a bad bad girl  
But I love it baby

[Verse 3: Nicki Minaj]

Yo, b-d-b-b-bye, b-d-b-b-bye  
He said, if he can't hit my bullseye, he'd rather die  
He put it on me better than any other guy  
He said he need a bad bitch with an alibi  
Yo, give me the muny, the yen and the pesos  
Sext me on the beach in Turks and Caicos  
I give him that work, that twerk that slay hoes  
Sippin' Grey Goose, and pushin' that grey ghost  
Uh, assume the position when you see a bad one  
The D so good, he just got a And 1  
I'm about to blow, and I ain't talking Samsung  
I'm about to show him what I do with that tongue

[Chorus: Nick Jonas]

Bom bidi bom bom bom bom bom  
Bom bidi bom bom  
You give me bad bad love  
But I love it baby  
Love me all night long  
If you want baby, like  
Bom bidi bom bom bom bom bom

Bom bidi bom bom bom (Oh)  
'Cause you're a bad bad girl  
But I love it baby  
Love me all night long  
If you want baby, yeah  
Bom bodi bom bode bode bom bom  
Bom bodi bom bode bode bom bom  
Bom bodi bom bode bode bom bom

[Outro: Nicki Minaj]  
B-d-b-b-bye, b-d-b-b-bye  
Yo, yo, he tryna bless me like his rabbi-bi  
B-d-b-b-bye
