

# Out of the Darkness

## Republica

Get up, Alarm clock, Lip gloss, what a shock  
Get dressed, front door, more stress what for?  
Trapped in your world  
You know you're trapped in your world  
Lunch hour, fast food, telephone, more abuse  
V.U. headache, cigarettes, coffee break  
Trapped in your world  
You know you're trapped in your world  
(Come out of the darkness)  
Come out of the darkness, over the tower blocks  
Into the light  
Go into the rush hour, out of the factory  
Leave it behind  
Turn on your TV., back to suburbia, every night  
Come out of the darkness, over the offices, into the light  
(Come out of the darkness)  
Leave work, happy hour, too drunk by far  
bus full, waterloo, fall asleep on the tube  
Trapped in your world  
You know you're trapped in your world  
Vodka, lemonade, ashtrays, what a shame  
Poor cow, sits alone, pubs close, go home  
Trapped in your world  
You know you're trapped in your world  
(Come out of the darkness)
