

Up

Justin Bieber

[Verse 1]

It's a big big world
It's easy to get lost in it
You've always been my girl
And I'm not ready to call it quits
We can make the sun shine in the moonlight
We can make the grey clouds turn to blue skies
I know it's hard, baby, believe me

[Chorus]

That we can't go nowhere but up from here, my dear
Baby, we can go nowhere but up
Tell me what we got to fear
We'll take it to the sky, past the moon, through the galaxy
As long as you're with me, baby
Honestly, with the strength of our love
We can go nowhere but up

[Verse 2]

It's a big big world, and I'm gonna show you all of it
I'm gonna lace you with pearls, oh
From every ocean that we're swimming in
We can make the sun shine in the moonlight
We can make the grey clouds turn to blue skies
Yeah, I know it's hard, baby, believe me, oh

[Chorus]

That we can't go nowhere but up from here, my dear
Baby, we can go nowhere but up
Tell me what we got to fear
We'll take it to the sky, past the moon, through the galaxy
As long as you're with me, baby
Honestly, with the strength of our love
We can go nowhere but up
Nowhere but up
Nowhere but up

[Bridge]

Baby, we were underground
We're on the surface now

We're gonna make it girl, I promise
If you believe in love and you believe in us
We can go nowhere but up

[Chorus]

That we can't go nowhere but up from here, my dear
Baby, we can go nowhere but up
Tell me what we got to fear
We'll take it to the sky, past the moon, through the galaxy
As long as you're with me, baby
Honestly, with the strength of our love
We can go nowhere but up
Nowhere but up, nowhere but up
Woah, nowhere but up, woah
Yeah, nowhere but up, yeah yeah
