

# Around the Horn

## The Bronx

give it a rest and then try it again with more soul  
until you learn that clearing your heads'  
the same as losing control in this space  
don't let it drive you crazy  
don't let it drive you insane there's no point  
cause you just keep turning us on and turning us off  
and on and off and on  
until we're light as a feather and we're stiff as a board  
light as a feather and we're stiff as a board  
give it a break cause if you try it again you'll get bored  
because you don't really know where it starts  
but you know that it ends with no friends  
and even this is a test and i'm sorry if it breaks your bubble  
but you still need some rest cause it's gonna go  
it's gonna go  
on and on and on  
until it hurts  
we will go on and on and on  
until it hurts  
turning us on and turning us off  
you keep turning us on and turning us off
