

I Wanna

Bravehearts

[Chorus]

Baby I wanna fuck, yea
I'll be your down ass slut, yea
You know I like it rough, yea
You can do it in my butt, oooh
When you look at me, oooh
I wanna throw my leg up, oooh
And give you what you want, oooh
So nigga get that ass, oooh

[Jungle]

See my sleezy, sluty breezy
Does anythin I want she thinks she needs me
Says her pussy hair use to be peezy
Ass like Serena playin tennis on tv
Terrific type vagina, very wet when I be deep in side her
My grandma said she was too fast
She was in the club shakin that ass
Hangin out late, smokin and drinkin
Ready to pop off without even thinkin
She want the cash, the clothe, the cars
She wanna lay up in bed wit the stars
When this bitch is naked, she the sexiest
She posses the kid like "The Exorcist"
Her breast excellent C-cup titties
She be rollin my weed when I drive through New Yitty

[Chorus]

[G-Wiz]

I got a ride baby girl ass too stupendous
Freak I'm wit this, Jung my witness
Bitch ain't got nuttin on this
