

# LIKE I WOULD

ZAYN

[Zayn]

Hey what's up! It's been a while...  
Talking 'bout it's not my style  
Thought I'd see what's up  
While I'm lightin' up  
(It's cold-hearted! Cold-hearted...)  
Know it's late but I'm so wide  
Saw you facing God in spite  
Cause you let it go, now you're good to go  
(It's cold-hearted! Cold-hearted...)

(Oh oh)

This is probably gonna sound wrong  
Promise it won't last long  
(Oh oh)  
If we can never go back  
Thought you'd like to know that

He, won't touch you like I do  
He, won't love you like I would  
He don't know your body  
He don't do you right  
He won't love you like I would  
Love you like I wouldTalkin' don't want me, cause I want you  
Been thinkin' it over, but I prove  
So stop wasting all my time, messing with my mind  
It's cold-hearted, it's cold-hearted

Oh oh

This is probably gonna sound wrong  
Promise it won't last long  
Oh oh  
If we can never go back  
Thought you'd like to know that

He, won't touch you like I do  
He, won't love you like I would  
He don't know your body  
He don't do you right  
He won't love you like I would  
Love you like I would

He can't love you like I would  
He can't love you like I would  
He don't know your body  
He don't know your body

He, won't touch you like I do  
He, won't love you like I would  
He don't know your body  
He don't do you right  
He won't love you like I would  
Love you like I would  
Like I would

He, won't touch you like I do  
He, won't love you like I would  
He don't know your body  
He don't do you right  
He won't love you like I would  
Love you like I would  
Like I would

He, won't touch you like I do  
He, won't love you like I would  
He don't know your body  
He don't do you right  
He won't love you like I would

(LIKE I WOULD...)
