

Heaven Knows

Faith Evans

Ummmm hummm
Ummm Heaven only knows... Heaven only knows, how much I love you baby...
How much I need you baby... Dont want you to leave me, no no woooo ohhh...
Heavens in your eyes...Baby please, please don't take your love from me...
I'm am yours forever more, til eternity...
Silenty, listen to the words I say...
Now I'm not talking just for play, listen to me please...Heaven knows, it's not the way it should
be...
Heaven knows, it's not the way it could be...
Don't you know, there's no need to leave no no...
Heaven knows, I never wana leave you...
Heaven knows, I only wana please you...
Don't you know, there's no need to leave ohhh no ohhh...
no no no no, Don't go...
Down inside, don't get caught with foolish pride...
Put all the other things aside, there's only you and me yeahhh...
Believe in us, we were always ment to be...
Me for you and you for me... til eternity...Heaven knows, it's not the way it should be...
Heaven knows, it's not the way it could be...
Don't you know, love is what I need... ohhhh...
Heaven knows, I never wana leave you...
Heaven knows, I only wana please you...
Don't you know, don't you know, love is what I need yeahhh...
Cause I love and I need you, yes I want you, got have you...
Wooo Baby... Where were you, when I needed you... ohhhh...
Heven only knows...
Heaven only knows... yeah yeah yeah yeah, I said Heaven only knows,
That I love you baby...
Ohhhh, said I do real good, when I'm with you. Baby you know just what to do.
You love me right, you love me good, always love me like you should...
Ahhh yeahh, ohhhh yeahh, ahhh yeahhh...
Heaven only knows...
Heaven knows (Lord knows I need you)
Heaven knows (I'll do anything to be with you)
Heaven knows (cuz I love you, love you, I love you)
Baby love is what I need...
Heaven Knows...
