

# Party Girl

## Elvis Costello & The Attractions

They say you're nothin' but a party girl  
Just like a million more all over the world  
I know I shouldn't be raising my hopes so high But I have seen the hungry look in their eyes  
They'd settle for anything in disguise of love  
Seen the party girls look me over  
Seen 'em leaving when the party's over They can't touch me now, you say you don't mind  
We're so hard to find, I could give you anything but time  
Give it just one more try, give it a chance  
Starts like fascination, ends up like a trance  
Oh, you'll never be the guilty party girl  
Maybe someday we can go hiding from this world  
Maybe I'll never get over the change in style But I don't want to lock you up and say you're mine  
Don't want to lose you or say goodbye  
I'm the guilty party and I want my slice  
But I know you've got me and I'm in a grip-like vise They can't touch me now, you say you  
don't mind  
We're so hard to find, I could give you anything  
I would give you anything, I can give you anything but time  
Give you anything but time, give you anything but time  
Give you anything but time, give you anything but time  
Ooh, give you anything but time, give you anything but time  
Give you anything but time
