

# Before I Let Go

Beyoncé

[Intro]

What they say?  
The world  
(Tay Keith, fuck these niggas up)

[Verse 1]

You make me happy  
This you can bet, yeah  
It's clear right beside me, yeah  
And I won't forget  
And I really love you  
You should know  
I wanna make sure I'm right, boy  
Before I let go  
Now, we had our good times  
That we can say  
We hurted each other, yeah  
And, boy, it's a shame  
I won't be foolish, no  
I wanna know  
I wanna make sure I'm bright, boy  
Before I let go  
Yeah, uh, yeah, yeah

[Chorus]

You know, I thank God sun rises and shines on you  
You know there's nothing, nothin', nothin' I would not do, oh  
Before I let you go, woah  
I would never, never, never, never, never, never, never, never  
Let you go before I go

[Verse 2]

I pull up to Coachella (Pull up)  
In boots with the goose feathers (Pull up)  
I brought the squad with me (I got the squad)  
Black on black bandanas, I (I got the squad)  
DussÃ© and Champagne (Champagne)  
I did the damn thing (I did the damn thing)  
Dirty Diana (Dirty Diana)  
Singin' and dancin' all in the rain (Woo)

Ooh (To the left)  
I just wanna have a good time (Turn around)  
Turn around, kick, then slide  
And twirl that ass to the right, now  
Ooh, bunny hop, bunny hop, drop, pop  
Cross your legs, turn around and clap  
Shuffle to the left, let's glide now  
Ooh, drop it down, drop it down low, low  
Low, low, low to the floor, floor  
Bring it up, clap, then roll, roll  
Step on 'em, step on 'em, step on 'em, step  
Step on 'em, kick on 'em, stomp, then you step  
Swag the right, surf the left  
Work the middle 'til it hurt a little

[Outro]  
(Oh, woah, woah, woah, woah, woah, oh)  
Before I let, before I let, b-b-before I let go  
(Oh, woah, woah, woah, woah, woah, oh)  
Before I let, before I let, b-b-before I let go
