

Boom (feat. T-Pain)

Snoop Dogg

[Snoop]

Yeah... Top Dogg... uh...

Get your money whip your hair

Executive branch blowin' smoke like a player

Yeah in the club, yes it cracks

Cute little mama, but they stacked with bags.

I'm smokin' Grape Purple Urkel

You in Doggie world come and join my circle

I break down herbal til I move like a turtle

My money is green and my Porsche is turbo

(Boom!)

In hot pursuit, come rock with Snoop

Baby's a lawyer, her body's the truth.

I'm in the game for real, it pays to chill

I walk in the club and they front the bill

I'm the Big Dogg, best beware

You comin' with me, if you stop, they'll stare

Should be on my team, in my car

On the way to the spot, Yes you are

Toastin' up, postin' up

And when we done, we West Coastin' love.

Fo' shendo blowin' endo,

How much for the Dogg in the window?

Uh.Oh. what?

(Boom!)

(Boom!)

Say what? say what?

(Boom!)Talk to 'em T-pain

[T-pain]

Baby I'm a Dogg! (I'm a Dogg!), beware! (beware!)

I do whatever, however I want! (I want!)

It's both of y'all (both of y'all), oh yeah! (oh yeah!)

Now put your hands in the air and whip your hair and go

La la la la la

Boom shakalaka when I drop all my apples, sayin'

La la la la la

One-hitta quitta (quitta) Shawty know that I ain't playin'[Snoop]

(Boom!)

I'm all about the money, the money I got

On the VIP tip, Maserati's in the lot.

Chillin' with the stars where the bottles never stop

Got a model on my lap, Baby show me what you got

(Boom!)
 With a cup of Landy, Tiffany and Sandy
 Girls who like girls, wanna do it to Daddy
 Real talk, the suites is next
 One more drink gonna lead to sex
 These girls is bad, the floor is packed
 They shut the door down when they reach the max.
 Whatchoo tryin' to drink? Clear or yak
 She got a apple bottom, homie, all I do is mack

 Boom shakalaka here comes the chief rocka
 Smoke good with T-pain, and Snoop, the weed doctor
 Big 808 now feel the bass in ya chakra
 And watch me smoke like a shotta
 Coke bottle shape light green eyes
 Drunk off of love like a colt 45
 I keep kush in my lungs

 Just bust a bad one from my homie D-Dimes
 (Boom!)
 They do it for fortune, some for fame
 I've got five different strains,
 You ever taste Purple Rain?
 Turn up the volume, adjust the gain
 Ain't a damn thing changed, still a G-Thang
 Lil Momma whip you hair, exhale the chronic
 As the smoke disappears, I'm ready to ball
 Your girl on my team, is she ready to fall
 And if you didn't know, I'm the big Snoop Dogg.(Boom!)
 Say what? say what?
 (Boom!)
 I don't think they heard me
 (Boom!)Talk to 'em T-pain[T-pain]
 Baby I'm a Dogg! (I'm a Dogg!), beware! (beware!)
 I do whatever, however I want! (I want!)
 It's both of y'all (both of y'all), oh yeah! (oh yeah!)
