

In the Morning

ZHU

I only call when I'm alone
I only call when I'm alone
I only call when I'm alone
I only call when I'm alone Touch me in the morning
I'll tell you while you're moaning, baby
There's something in this water
So drink it 'til you're falling for me
Touch me in the morning
I'll tell you while you're moaning, baby
There's something in this water
So drink it 'til you're falling for me I only call when I'm alone
I only call when I'm alone
I only call when I'm alone
I only call when I'm alone
Touch me in the morning
I'll tell you while you're moaning, baby
There's something in this water
So drink it 'til you're falling for me
Touch me in the morning
I'll tell you while you're moaning, baby
There's something in this water
So drink it 'til you're falling for me
Touch me in the
