

# Anything (feat. Pharrell and Pharrell)

JAY-Z

Uh huh yea yea  
Guru!, you gotta let it bump  
Uh uh uh like that yea  
Come on, Bring the chorus in I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you I do a bid  
loose a rib  
Bust a cap  
trust in that  
Run up the heaven doors  
exchange my life for yours  
Leave a steak out the door  
mi casa, su casa  
Just remembered to turn the lights off in the hall  
My brother from anotha pop  
minus one shot  
We Nino and G-Money man  
we all we got  
From the stoop to the big dudes  
stoppin' us from playin' hoops  
And us gettin mad  
throwin' rocks off the roof  
Straight thuggin' man  
i thought we would never progress  
But look at us now man  
we're young execs  
My nigga Dame  
my nigga Biggs  
my nigga Tah  
my nigga ja  
my nigga Gotti  
we embody  
all that's right with the world  
No matter how pretty she is  
u never likin' my girl  
That's how we run  
when you ain't around  
I'll spank ya son  
keep him line  
If you should die  
i'll keep him like mine

God forbid  
keep this in mind  
my nigga  
I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you Mama's lil baby  
but these streets raised me crazy  
Product of my enviroment  
nothing can save me  
Thanks for letting me  
bloom for your wisdom for your womb  
For the roof over my head  
for my shoes, for my bed  
For the most important lesson in life was when you said:  
"Strive for what you believe in, set goals and you can achieve them"  
Thanks for the days you kept me breathin'  
when my asthma was bad and my chest was weezin'  
Thanks for the look of love  
Just as i was leavin'  
some nights, you thought that i wouldn't come back  
I left you grievin'  
thanks for holdin' down the household  
When times were bad  
as a man, i apoligize for my dad  
When the rent was due  
you would hustle like a pimp would do  
That wasnt the life meant for you  
your a queen  
you deserve the cream  
everything that gleams  
everything that shines  
Everything thats mine  
I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you Dear nephews  
i'm writin' this, wit no pen or a pad  
And i'm signin' it  
ya uncle, ya best friend, and ya dad  
Don't look at before when your feelin' bad  
i'm right there  
For when you cut to when you peelin' a scab

if it comes a time  
And you aint feelin' your real dad  
put my face on his body  
Dont wait for nobody  
Don't follow no nigga  
that's hoe shit man  
Stand on your own two  
Do your shit man  
the world is yours  
Some girls are nice  
Some girls are whores  
Don't listen to your crew  
Do what works for you  
standin' back away from situations gives you the perfect view  
You see the snakes in the grass  
then you wait on their ass  
Bite your tongue for no one  
and whatever is said take it  
how they want  
a closed mouth don't get fed  
you know my number when it's code red  
or if you're wrong, my nigga  
Your my nephew  
fuck it we get it on my lil nigga I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you I'd risk everything  
Oh, i'd risk everything  
Yes i'd do anything, anything  
Anything for you
