

# Bossy (feat. Jason DeRulo)

## Birdman

I love it when she bossy  
Sexy when she bossy  
I know i am the boss  
I kinda like it when she boss me  
Love it when im bossy  
Touch me when im bossy  
She thinks she is the boss  
She kinda likes it when im Bos(sy)  
Who da boss, Who da boss  
Who da boss, Who da boss  
She thinks she in control but ima let her know  
Who da boss, Who da boss  
Who da boss, Who da boss  
When we switch roles I let it be known  
Im Da boss  
Yeah sun shinin doin it like this-a-way  
5 star doin it like everyday  
Pick mama up ridin with the paper plates  
Big houses 20 mills own estates  
Brought her to my town  
Showed her my uptown, showed her my uptown  
Show her where i stood my ground  
How we did it how we put it down  
New money and we blowin straight out the pound  
To the mall let her do what she do  
She grind cause she wanna  
And she hustlin too  
I do it how i feel  
I'm da boss of my shit  
About 8, 9 o clock mama cookin my shit  
I love it when she bossy  
Sexy when she bossy  
I know i am the boss  
I kinda like it when she boss me  
Love it when im bossy  
Touch me when im bossy  
She thinks she is the boss  
She kinda likes it when im Bos(sy)  
Who da boss, Who da boss

She thinks she in control but ima let her know  
Who da boss, Who da boss
