

Deal with the Devil

Pop Evil

I can't get away with murder
I am bound to take it further I took the pills, I've been consumed
I drank the water, I had to choose
I'm still here with a fire burning, burning inside
If you want to burn, light it up, light up, let it rise When you're high who ya flying for
When you ride who ya riding for
When you toast who ya drinking for
When you play, gotta deal with the devil Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil I have found comfort in sorrow
Now I'm bound, empty and hollow
I took the pills, I've been consumed
I drank the water, I had to choose
I'm still here with a fire burning, burning inside
If you want to burn, light it up, light up, let it rise When you're high who ya flying for
When you ride who ya riding for
When you toast who ya drinking for
When you play, gotta deal with the devil Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil Let it rise When you're high who ya flying for
When you ride who ya riding for
When you toast who ya drinking for
When you play, gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil
Gotta deal with the devil
