

So High (feat. Lauryn Hill)

John Legend

Mmm, ooBaby, since the day you came into my lifeYou made me realize that we were born to flyYou showed me everyday new possibilitiesYou proved my fantasies, what love could really beLet's go to a place only lovers goTo a spot that we've never known
To the top of a cloud we're floating awayOoh, this feels so crazy, how this love is blazingBaby, we're so high, walking on cloud nine(You got me up so high)
So high
(My shoes are scraping the sky)
So high
(You got me up so high)
Oh
(My shoes are scraping the sky)
Maybe later we could go up to the moon
Or sail among the stars before the night is throughAnd when morning comes we'll see the sun is not so farAnd we can't get much closer to God than where we areWe'll go to a place only lovers goTo a spot that we've never known
To the top of the clouds we're floating way, yeahOoh, this feels so crazy, oh, this love is blazingAnd baby, we're so high, walking on cloud nine(You got me up so high)
So high
(My shoes are scraping the sky)
So high
(You got me up so high)
Oh, yeah
(My shoes are scraping the sky)
Ooh, yeahOoh ohh
HeyOoh, this feels so crazy, how this love is blazingBaby, we're so high, walking on cloud nineYou got me up so high
You got me up so highYou got me up so high
My shoes are scraping the sky
You got me up so highYou got me up so high
You got me up so high
My shoes are scraping the sky
Ooh ooh, yeahMmm yeah, yeahThis is how love's supposed to be, yeah
This is how, this is how love's supposed to be, yeahLet's go to the moon baby, oohLet's go to the moon baby, yeahLet's go, go, let's go to the moon, babySo high
