

# Better I Don't

Chris Janson

My good buddy asked me... "Buddy why don't you drink?"  
And I said, "It's probably better I don't"  
He said, "There's a lotta girls in this here bar that we could chase"  
I said, "Trust me"  
It's probably better I don't  
Cause I used to be an all nighter  
I'm a hell of a back slider  
I've been around the block more than a time or two  
And I can promise you  
I've drank my weight in booze  
And I've been known to get on stage in nothing but my boots  
So it's better I don't, Cause believe me I will  
I get looser than a line on a fishing reel  
Dare me don't do, don't think I won't,  
take it all off, turn it all on  
Get buck wild, hell bent, and stoned It's better I don't  
Well I was wearing the cuffs, when the warden said, "Just tell me the truth"  
And I said, "Sir, it's probably better I don't"  
And I was up on the stand, and the judge said, "Just tell me what happened man"  
And I said, "Buddy it's probably better I don't, but since you asked"  
I was mindin' my own business at a hundred and five  
I was a county road cruisin'  
out running the blue lights  
I was on the home stretch,  
I was roundin' that last curve,  
Well I ran out of gas and that's when I learn  
It's better I don't, cause believe me I will  
I get looser than a line on a fishing reel  
Dare me don't do, don't think I won't, take it all off, turn it all on  
Get buck wild, hell bent, and stoned.  
It's better I don't  
Now there's things I don't remember,  
There's things that I do  
But I don't know the half of what I got into  
And it's better I don't, cause believe me I will  
I get looser than a line on your fishing reel  
Dare me don't do, don't think I won't take it all off, turn it all on  
Get buck wild, hell bent, and stoned.  
Drunk dial somebody on the phone  
Drink too many beers and drive a Harley home  
It's better I don't,  
yeah it's better I don't

yeah it's better I don't
