

Next To You

Austin Mahone

[Intro]

Clap your hand
Let the bass kick

[Verse 1]

Hey girl, just look at you
So beautiful and drop dead hot
Tell me, what's the thing?
What you do with a guy like him?
Hey girl, you're one of a kind
You're the best one can be
Tell me, what's the thing?
Are you taking this love for real?

[Pre-Chorus]

I see him tryin' to break your smile
I get it
But we know that tears never lie, -ie, -ie

[Chorus]

No matter what you say or do
He don't really care about you
Like I will, I will
I will, I will, let me know
Whenever you decide to be, to never be alone, believe it
I will, I will
I will be next to you
Baby, I will, I will
I will be next to you
Let the bass kick

[Verse 2]

Hey girl, what's up with you
There's something 'bout the look in your eyes baby
What is wrong
Just tell me what is going on (Just tell me what is going on)
Why you wasting your time
Saying everything it's alright baby
What you have, it's never put a bag of mess

[Pre-Chorus]

I see him tryin' to break your smile
I get it
But we know that tears never lie, -ie, -ie

[Chorus]

No matter what you say or do
He don't really care about you
Like I will, I will
I will, I will, let me know
Whenever you decide to be, to never be alone, believe it
I will, I will
I will be next to you
Baby, I will, I will
I will be next to you
Let the bass kick

[Pre-Chorus]

I see him tryin' to break your smile
I get it
But we know that tears never lie, -ie, -ie

[Chorus]

No matter what you say or do
He don't really care about you
Like I will, I will
I will, I will, let me know
Whenever you decide to be, to never be alone, believe it
I will, I will
I will be next to you
Baby, I will, I will
I will be next to you
