

I'm Just Sayin'

Karmin

Ohhhh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin'
Ohhhh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin' Future in my hands, gotta make it count
Convince yourself it's feasible then there's nothin' else
Sick addiction, dangerous mind
Put it on command, error undefined
Even when you got a shadow of a doubt
Even when a hundred people tell you it's a wipe out
You gotta do it big, you gotta do it strong
At the end of the day, you're the one who's in the wrong
Regrettin' and forgettin' everything you worked for
Instead a trend settin' and bettin'
It's so upsettin', I'm sweatin' now
And I can't believe it, it should be so easy, oh...
Already got a knack, just dial it back
The window's open and the world is yours, go attack
Cause when the wind is right and the tide is high
Then it's time to fly
Ohhhh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin'
Ohhhh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin' I know, know, know where to go go go
Oh oh oh, oh oh oh oh oh oh
I know, know, know where to go go go
Oh oh oh, oh oh oh oh oh oh Did you ever think, I'll do what I want
Me in the marathon, uh, one in the front
Now you're makin' plans, don't let them screw it up
Better write your name on it, paper cut
Most people afraid of hearing no
Got booed off stage once Apollo
I can do anything that I wanna do
And I'll take that cause it's not for you
Took a few years to surface but now it's so bizurkus
And I'm ring leadin' in this circus
I'm just sayin', I'm just layin' and pavin' the road ahead of me
Bravin' the elements and watchin' it cave in
My heart is racin' and palpitatin'
I'm so done anticipatin'
It's all good yeah, made up my mind
Threadin' the needle is part of the design
Ohhhh if I want it, I'm gonna get it

And I'm just sayin', I'm just sayin'
Ohhhh if I want it, I'm gonna get it
And I'm just sayin', I'm just sayin' I know, know, know where to go go go
Oh oh oh, oh oh oh oh oh oh
I know, know, know where to go go go
Oh oh oh, oh oh oh oh oh oh Ohhhh if I want it, I know I'm gonna get it
I'm just sayin' that's the way that it goes
Ohhhh if I want it, I know I'm gonna get it
I'm just sayin' that's the way that it goes And if we look at life, I'ma tell you what
You only get one, we bein' honest huh?
Let 'em tell you no, we on another plane
Approachin' destination hit the main vein
Now we glidin' windin' tryin' not to crash
Cause we so high, gotta keep grindin'
Not a limit we drivin' the ship we runnin' it all
