

# Wonderful

## India.Arie

All the joy over love, over you  
yeah ooooo. ohhhhh

You are the sunshine of my life, another Shakespeare of your time  
Your like a ribbon in the sky, you are a poet's endless rhyme  
You take me to a higher ground, you know you knock me off my feet  
Lately I been thinking 'bout you, cause you been creeping in my dreams

You inspire me the way you make me feel inside is amazing  
Your honesty, your artistry is engaging  
You are, everything I hope to be

You have touch my soul I want you to know you are my hero  
You got so much soul to put it plain and simple you are wonderful

I am your woman in red, I am girl blue, I am the black orchid, I am a golden lady too  
You bring the music of your mind to elevate human kind  
That's why I'm sharing my emotions with inner visions I explore

You inspire me the way you make me feel inside is amazing  
Your honesty your artistry is engaging  
You are everything I want to be

You have touch my soul I want you to know you are my hero  
You got so much soul to put it plain and simple you are wonderful

[Bridge]

You so beautiful  
ooohh Yeah yeah ooohhh  
You are wonderful  
You are beautiful  
You are powerful  
you are, you are

You have touched my soul, and i just wanna say thank you  
And I just want to say  
You have touch my soul  
In such a special way  
say yeah

Stevie Beautiful  
Stevie Powerful  
Stevie Spiritual  
Stevie Wonderful

Stevie Wonderful  
ooooohh yeah yeahhhhh

You have touched my soul, you're so divine, you're so sublime  
You're wonderful  
YOU have touched my soul, to put it plain and simple you are wonderful  
You have touched my soul, you're so devine, you're so sublime  
You're wonderful  
you are, you are...
