

# Holding On (feat. Kem)

Gregory Porter

Weight of love on my shoulders  
I thought that it would be easier than this  
I found my heart had grown colder  
But the warmth of your kiss, I can't dismiss Though my past has left me bruised  
I ain't hiding from the truth  
When the truth won't let me lie right next to you But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it  
Holding on  
Holding on  
Holding on  
Holding on I've seen times that were harder  
I remember the taste of bitterness  
Won't you help me, my father?  
Help me fall in the love that I have missed Though my past has left me bruised  
I ain't hiding from the truth  
When the truth won't let me lie right next to you But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it  
Holding on  
Holding on But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it Holding on  
Holding on  
It keeps holding on  
It keeps holding on  
It keeps holding on

Holding on  
Holding on  
Holding on  
Holding on  
Holding on  
Holding on
