

Devotion

Earth, Wind & Fire

Through devotion
Blessed are the children
Praise the teacher
That brings true love to many

Your devotion
Opens all life's treasures, yeah
And deliverance
From the fruits of evil

So our mission
To bring a melody
Ringin' voices (woo hoo, hoo)
Sing sweet harmony
For you here's a song
To make your day brighter
One that will last you long
Through troubled days

Giving your heart, ooh
The light to brighten
Oh, oh, oh, all of the dark
That falls in your way

You need devotion
Bless the children, whoa
Deliverance
From the fruits of evil

In everyone's life
There's a need to be happy, yeah
Let the sun shine
A smile your way

Open your heart
Feel the touch of devotion
Maybe this song
Will help uplift your day
Make a better way
You need devotion (You need devotion)
Bless the children
Deliverance from the fruits of evil
(From the fruits of evil)

You need devotion (You need devotion)
Bless the children
(Why don't you bless the children, Lord)
Deliverance from the fruits of evil
(From the fruits of evil)

You need devotion (You need devotion)
Bless the children
(Why don't you bless the children)
Deliverance
