

Never

Jaheim

Yea heaaaa

Ohhhhhhh

Nooo hoooo

[Verse 1:]

I used to be the type of brotha

That thought i would never slow down

I used to swear that I dont even care what happens but baby right now

(I see that) you changed my mind

(I mean that) and it took some time

But now I understand I can be a better man

I never had the chance to meet a lover quite like you.

You revealed another part of me

Gurl your love is trial and true

[Chorus:]

(Never) will I break your heart

(Never) will we ever part

(Never) Can't believe I used to say

I use to say

(Never) will I love this way

(Never) give my heart away

Never would this player hang his jersey up and leave the game

Never would've thought in a million years I would be hereeeeeee

Thats why I say

(Never) will I know the truth

(Never) would I'd known that you would come into my life and make everything new

Never wouldve thought I would take your hand

Gurl I swear

I would never never never never never say never again...again....again

Baby baby baby baby [x3]

Baby baby

[Verse 2:]

There aint no question that I love you

I know we had our ups and downs

But through the tears, I know there is nowhere I can say I'd rather be now

(I see that) you're my shining star

(I mean that) Gurl you got my heart

And now I hold your hand

Cuz you made me a stronger man

I wish that I could place the whole world in front of you

But a man is just a man so baby here's my vow 2 you

[Chorus:]

(Never) will I break your heart

(Never) will we ever part

(Never) Can't believe I used to say

I use to say

(Never) will I love this way

(Never) give my heart away

Never would this player hang his jersey up and leave the game

Never would've thought in a million years I would be hereeeeeee

Thats why I say

(Never) will I know the truth

(Never) would I'd known that you would come into my life and make everything new

Never wouldve thought I would take your hand

Gurl I swear

I would never never never never never say never...

[Bridge:]

From the day you came along

I song a brand new song

(And I only make it clear to see)

That you're a special part of me

Before I had no clue

I wuz lost til I found you baby

And I wanna make your heart (oh) understand

I'm proud 2 be your man

And I bow 2 stay (forever)

I can't believe that I used to sayyyyyyyyy

(Never) will I love this way

Give my heart away

Never would this player hang his jersey up and leave the game

Neveerrr

No No No Never

No No No No No

I would

Never never never never never [x2]

Never say never againnn
