

If I Can't Have You

Shawn Mendes & Gryffin

I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that Everything means nothing if I can't have you? I'm in Toronto and I
got this view
But I might as well be in a hotel room, yeah
It doesn't matter 'cause I'm so consumed
Spending all my nights reading texts from you Oh, I'm good at keeping my distance
I know that you're the feeling I'm missing
You know that I hate to admit it
But everything means nothing if I can't have you
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you? I'm so sorry that my timing's off
But I can't move on if we're still gonna talk
Is it wrong for me to not want half?
I want all of you, all the strings attached Oh, I'm good at keeping my distance
I know that you're the feeling I'm missing
You know that I hate to admit it
But everything means nothing if I can't have you
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you?
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you? I'm trying to move on, forget you, but I hold on
Everything means nothing
Everything means nothing, babe
I'm trying to move on, forget you, but I hold on
Everything means nothing if I can't have you, no I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that
Everything means nothing if I can't have you? (Yeah)
I can't write one song that's not about you
Can't drink without thinking about you
Is it too late to tell you that

Everything means nothing if I can't have you?
