

Heart Upon My Sleeve

Avicii & Imagine Dragons

[Chorus: Dan Reynolds]

With my heart upon my sleeve
My head down low, I still feel broken
Down upon my knees
With my head down low and I still feel broken
Where are you? Where are you?
Oh, now that I need you most and
A heart upon my sleeve, broken down, woah

[Verse 1: Dan Reynolds]

I guess I'm just down on my luck a bit, shakin' me out of it
I guess I'm just down on my luck a bit, shakin' me out of it

[Chorus: Dan Reynolds]

With my heart upon my sleeve
My head down low, I still feel broken
Down upon my knees
With my head down low and I still feel broken
Where are you? Where are you?
Oh, now that I need you most and
A heart upon my sleeve, broken down, down, down, down

[Verse 2: Dan Reynolds]

Now, I can't go a single day without thinking of the words I'd say
And I can't do a single thing without thinking of you, thinking of you

[Bridge: Dan Reynolds]

Now I'm just left with the pieces to put back together
(Together, together, together)
(Forever, forever, forever)

[Chorus: Dan Reynolds]

With my heart upon my sleeve
My head down low, I still feel broken
Down upon my knees
With my head down low and I still feel broken
Where are you? Where are you?
Oh, now that I need you most and

My heart upon my sleeve, broken down, down, down, down
