

I Really Don't Want to Know

Eddy Arnold

How many arms have held you
And hated to let you go
How many, how many, I wonder
But I really don't want to know
How many lips have kissed you
And set your soul aglow
How many, how many, I wonder
But I really don't want to know
So always make me wonder
Always make me guess
And even, if I ask you
Darling don't confess
Just let it remain your secret
But darling I love you so
No wonder, no wonder, I wonder
Though I really don't want to know
