

Dance (feat. The Clark Sisters)

3 Winans Brothers

When my feet start moving and I'm grooving it's cause You make me dance, (Dance) yeah You do

When my hands start swaying I'm just saying its cause You make me dance, (Dance)
You make me (Dance), yeah, you do You make me smile, You make me laugh, You make me dance

(Dance, dance You make me dance)

You make me smile, You make me laugh, You make me dance

(Dance, dance You make me dance)

You make me smile, You make me laugh, You make me dance

(Dance, dance You make me dance)

You make me smile, You make me laugh, You make me dance

(Dance, dance You make me dance)

You make me smile, You make me laugh, You make me dance

(Dance, dance You make me dance)

You make me (Dance)

(Makes me dance, just like David You make me dance, dance

Makes me dance, the way You love me just makes me dance, dance

Makes me dance, nothing more to say let's just dance, dance

Makes me dance, hallelujah, You make me dance) When I think about Your goodness, others notice how that it makes me dance

(Makes me dance, just like David You make me dance)

When I see all You're doing You're love's proving that's why it makes me dance
(Makes me dance, just like David You make me dance) (Makes me dance, the way You love me just makes me dance)

(Makes me dance, the way You love me just makes me dance) You make me smile, You make me laugh, You make me dance

(Dance, dance You make me dance)

You make me believe, when everybody else leaves You make me dance

(Dance, dance You make me dance) Oh, dance

(Dance, makes me dance, just like David you make me dance) Come on... Looking for somebody... feel like... oh, magnify the Lord with me

Sometimes I'm tired... but You make me... When I think of Your goodness... all You've done... it makes me dance... on a Monday... in the middle of the week... I just feel like it... late in the midnight hour... oh... when I should be crying... You make me want to dance, yeah, oh, oh, oh... look at me... look at me... feel like dancing... hey, hey... I want to dance... You make these bones rejoice... I feel like David.... hey, hey, oh... every day.... when I should be crying....
