

# Look Away

## Big Country

This time we run  
This time we hide  
This time we draw on all the fire we have inside.  
We need some time  
To find a place  
Where I can wipe away the madness from your face. Our name is out  
Our name is known  
Our name is everywhere but who knows where we're flown.  
I never meant  
To kill a man  
But I will show you how to live like no one can.  
So look away look away  
Hide your eyes from the land where I lie cold.  
Look away look away  
From the lies in the stories that were told.  
Look away look away  
From the love that I hide way down deep in my soul. I met you wild  
In a snowed up town  
When I was waiting tied and bound to be sent down.  
Then I broke loose  
You weren't around  
So I raised banks and trains until I tracked you down. Now look away look away  
Hide your eyes from the land where I lie cold.  
Look away look away  
From the lies in the stories that were told.  
Look away look away  
From the love that I hide way down deep in my soul.  
You followed me  
When I said no  
You lay with me when there was nowhere safe to go.  
We made some friends  
but now it's done  
I always knew that we would never find the sun. So look away  
look away  
Hide your eyes from the land where I lie cold.  
Look away look away  
From the lies in the stories that were told.  
Look away look away  
From the love that I hide way down deep in my soul.
