

The Nameless

Slipknot

[Intro]

Yeah!

[Verse 1]

Pathetic (benign)

Accept it (undermine)

Your opinion (my justification)

Happy (safe)

Servant (caged)

Malice (utter weakness)

No toleration – invade (committed)

Enraged (admit it)

Don't condescend (don't even disagree)

Desire (decay)

Disappoint (delay)

You suffered then (now suffer unto me)

[Pre-Chorus 1]

Obsession – take another look

Remember – every chance you took

Decide – either live with me

Or give up – any thought you had of being free

[Chorus 1]

(Don't go) I never wanted anybody more than I wanted you...

(I know) the only thing I ever really loved was hate...

[Verse 2]

Anyone (no) anything (yes) anyway (fall)

Anybody (mine) anybody (tell me)

I want (you) I need (you) I'll have (you)

I won't (let anybody have you)

Obey (me) believe (me) just trust (me) worship (me) live for (me)

Be grateful (now) be honest (now) be precious (now) be mine (just love me)

[Pre-Chorus 2]

Possession – feed my only vice

Confession – I won't tell you twice

Decide – either die for me

Or give up – any thought you had of being free

[Chorus 2]

(Don't go) I never wanted anybody more than I wanted you...
(I know) the only thing I ever really loved was hurting you...
(Don't go) I never wanted anybody more than I wanted you...
(I know) the only thing I ever really loved was hate...

[Break]

Yeah!

Yeah!

[Bridge]

Stay inside the hole – let me take control
Dominate
You are nothing more – you are something less
Innocent
Something has to give – something has to break
Omnipresent
Fingers on your skin – let my savage in
You deserve it
You deserve it
You deserve it
You deserve it
You deserve it

[Chorus 3]

(Don't go) I never wanted anybody more than I wanted you... (I wanted you)
(I know) the only thing I ever really loved was hurting you... (was hurting you)
(Don't go) I never wanted anybody more than I wanted you... (I wanted you)
(I know) the only thing I ever really loved was hate...

[Outro]

You're mine (I know who you are)
You're mine (I know who you are)
You're mine (I know who you are)
You're mine (I know who you are)
