

# Friday Night

Johnnie Mikel

I see the lights in your eyes  
Sparkle like a Hollywood sign  
Like having coffee at night  
Sprayin' champagne like confettiLose track of days  
The way you keep me awake  
Acting like it's no work, all play  
Rhythm got me burnin' hot and readyBaby, I came here to party  
All of this liquor, I'm faded  
Lifted like an elevator  
So if you came here to party,  
I'm always looking for crazy  
Ooh, ooh, ooh, ooh  
I like the way you  
Do it, do it, do it,  
We about to live it up like FridayOoh, ooh, ooh, ooh  
I like the way you  
Do it, do it, do it,  
We about to live it up like Friday nightLet's turn it up and get down  
Not sorry that we're living this loud  
They ain't ever shutting us out  
I just wanna rock your body steadyDon't check the clock  
Stuck inside a weekend, don't stop  
After party back at my spot  
You got me burnin' hot and ready  
Baby, I came here to party  
All of this liquor, I'm faded  
Lifted like an elevator  
So if you came here to party,  
I'm always looking for crazyOoh, ooh, ooh, ooh  
I like the way you  
Do it, do it, do it,  
We about to live it up like FridayOoh, ooh, ooh, ooh  
I like the way you  
Do it, do it, do it,  
We about to live it up like Friday nightOn and on, we can dance until the mornin'  
If it comes, on and on and on and on  
On and on, we can dance until the mornin'  
If it comes, on and on and on and onOoh, ooh, ooh, ooh  
I like the way you  
Do it, do it, do it,  
We about to live it up like FridayOoh, ooh, ooh, ooh  
I like the way you

Do it, do it, do it,  
We about to live it up like Friday night
