

Hangover (feat. Snoop Dogg)

PSY

Hangover, hangover, hangover, hangover-over-over (bend over)
Hangover, hangover, hangover, hangover-over-over (bend over)
Party's over, it ain't over
Try to make a bad memory over and over
Hangover, hangover, hangover, hangover-over-over (bend over)
Hangover, hangover, hangover, hangover-over-over (bend over)
Party's over, it ain't over
Care to find a single piece of me, game over Hangover Hangover Hangover, hangover, hangover,
hangover-over-over
Hangover, hangover, hangover, hangover-over-over (bend over)
Hangover, hangover, hangover, hangover-over-over
Care to find a single piece of me, game over
Drink 'till you're drunk
Smoke like a broke stove
Don't quit, take flight
I can't remember last night
It's aight, this the life of a superstar
Sci-fi with that boy trooping hard, coupling cars
Snoop be hard in the paint
Drink another cup until I fall flat
All lead and then some
One-Five-One, done dilly
Really for sure that
I'm throw back intoxicated
Change over, game over, hangover, faded Body Shit Miss
?? ?? ??
??? ? ???
Eeny, meeny, miny, moe catch a lady by the toe
? ??? ?? ?? ??? ?????
Drink it up and get sick
Bottom's up, get wasted
Pour it up, drink it up, live it up, give it up
Oh my God, dammit, there's the fucking limit
Pour it up, drink it up, live it up, give it up
(????)
But I can't stop
Making bottles pop until the wheels fall off
(????)
And I can't quit
I wake up in the morning do the same shit
Wake up in the morning do the same shit Hangover Hangover Hangover, hangover, hangover,
hangover-over-over

Hangover, hangover, hangover, hangover-over-over (bend over)
 Hangover, hangover, hangover, hangover-over-over
 Care to find a single piece of me, game over Waking and baking, shaking the flees
 Caking and baking, raking the cheese
 Early in the morning in the bathroom on my knees
 Tipping and dripping, flipping the flow
 Whipping and dripping a drink on the floor
 This is the only way that I was taught a long time ago
 Seoul, Korea, you'll see a G-a like me-a
 Never would there ever be another like he-a
 G-A-N-G-S-T-A, nothing left to say
 I done smoked my whole day??? ?? ???, ?? ?? ???
 ??? ???? ???? ????
 ??? ?? ?? (??)
 ??? ? ?? ?? (??)
 ??? ?? ??? ?? ??? ?? (??) Drink it up and get sick
 Bottom's up, get wasted
 Pour it up, drink it up, live it up, give it up
 Oh my God, dammit, there's the fucking limit
 Pour it up, drink it up, live it up, give it up
 (????)
 But I can't stop
 Making bottles pop until the wheels fall off
 (????)
 And I can't quit
 I wake up in the morning do the same shit
 Wake up in the morning do the same shit Hangover, hangover, hangover, hangover-over-over
 (bend over)
 Hangover, hangover, hangover, hangover-over-over (bend over)
 Party's over, it ain't over
 Try to make a bad memory over and over
 Hangover, hangover, hangover, hangover-over-over (bend over)
 Hangover, hangover, hangover, hangover-over-over (bend over)
 Party's over, it ain't over
 Care to find a single piece of me, game over
