

# No Curtain Call

## Maroon 5

### [Verse 1]

You say you need someone  
But everybody does  
I'm no different than you  
I just believe what I do  
You point your finger at  
Everyone but yourself  
And blame the ones that you love  
Who're only tryin' to help

### [Pre-Chorus]

As it's winding down to zero  
I am your unlikely hero  
I'll see this through  
There's so much me and you  
Take this enemy together  
Fight these demons off forever  
Forever forever forever

### [Chorus]

Five, four, three, two, one  
I won't stop until it's done  
No curtain call, I will not fall  
This may be the one we've been waiting for  
No curtain call, just take it all

### [Verse 2]

I have no time for fear  
Or people in my ear  
Head down and running so fast  
Try not to dwell on the past  
I'm fighting through this pain  
And things I cannot change  
Running right into the flame  
Rather than running away

### [Pre-Chorus]

As it's winding down to zero  
I am your unlikely hero  
I'll see this through

There's so much me and you  
Take this enemy together  
Fight these demons off forever  
Forever forever forever

[Chorus]

Five, four, three, two, one  
I won't stop until it's done  
No curtain call, I will not fall  
This may be the one we've been waiting for  
No curtain call, just take it all

[Bridge]

Sweat drips down from every angle  
Love your body as it gathers in a pool by your feet  
You turn up the heat  
Tossing and turning, you cannot sleep  
Quietly weep, you're in too deep

[Chorus]

Five, four, three, two, one  
I won't stop until it's done  
No curtain call, I will not fall  
This may be the one we've been waiting for  
No curtain call, just take it all  
Five, four, three, two, one  
I won't stop until it's done  
No curtain call, I will not fall  
This may be the one we've been waiting for  
No curtain call, just take it all
