In My Time of Need

[Opeth](#)

I can't see the meaning of this life I'm leading
I try to forget you as you forgot me
This time there is nothing left for you to take
This is goodbyeSummers is miles and miles away
And no one would ask me to stayAnd I should contemplate this change
To ease the pain
And I should step out of the rain
Turn away
Close to ending it all
I am drifting through the stages
Of the rapture born within this loss
Thoughts of death inside
Tear me apart from the core of my soulSummer is miles and miles away
And no one would ask me to stayAnd I should contemplate this change
To ease the pain
And I should step out of the rain
Turn away
At times the
Dark's fading slowly
But it never sustains
Would someone watch over me
In my time of need
Summer is miles and miles away
And no one would ask me to stay
And I should contemplate this change
To ease the pain
And I should step out of the rain
Turn away
