

Wide Awake

Petit Biscuit

[Chorus]

Tonight I'm sleeping wide awake
I can't promise we'll be okay
But I'll keep fighting 'til the end
To make you feel safe with me
To make you feel safe with me

[Post-Chorus]

I made the darkness sleep again
To flee the creatures from this land
We're now safe but I can't forget
Oh, how'd I fear the end?
