

Night Call (feat. Lil Yachty & Migos)

Steve Aoki

Wo wo wo woo
Steve Aoki When the night call, yeah
I'll call all my soldiers just to come and brawl, yeah (soldiers!)
Brrr, brrr, bow!
When the night call, yeah (night call!)
I'll call all my soldiers just to come and brawl, yeah (soldiers!)
Woo! Woo! Woo! Brrrrrrrt Offset!
When the night call
We can link up, we can all ball (ball!)
Molly, xans and all, 3-2-1 and we takin' all
If we came to party, pour champagne we can drink Bacardi
And I'm 'bout to go in, rave in the crowd like a [?] I dive in (rave-rave)
When the night call, night call
Roll the dice dawg, dice dawg (the dice!)
Hoppin' in the white frog (white frog)
Livin' like a outlaw (outlaw)
Shorty got a tight jaw
When the night call night call, yeah
When the night call, yeah
I'll call all my soldiers just to come and brawl, yeah (soldiers!)
Brrr, brrr, bow!
When the night call, yeah (night call!)
I'll call all my soldiers just to come and brawl, yeah (soldiers!)
Brrr, brrrrrrrt When the night call pick up the phone
When the night call pick up the phone
Past 2 I'm an animal
My bitch ride bone like a cannibal
My party crazy like carnivals
Pull up them birds like a cardinal
I run on my side chick my cardio
Bitch it's Quavo and it's Lil Boat
Steve Aoki with the finger roll
Basketball like a seminal
In my party we fuck any hoe
In my party we fuck your hoe
When the night calls drop everything that's done and run
We're gon' party 'til the sun come
No cameras just us
Put your drinks in the air
We don't care who's here
We don't care who's here 'cause we having fun in bedroom
Give a fuck 'bout your feelings

Middle finger to a villain
now he peelin'
When the night call, yeah
I'll call all my soldiers just to come and brawl, yeah (soldiers!)
Brrr, brrr, bow!
When the night call, yeah (night call!)
I'll call all my soldiers just to come and brawl, yeah (soldiers!)
Brrr, brrrrrrrt
When the night call night call, yeah
