

I Got a Thang For You (Feat. Keyshia Cole)

Trina

Ladies
(Yeah?)
Have you eva had a thang for somebody
And it was just so deep And you wanted to tell him so bad
(Yeah, yeah, yeah)
But you just couldn't find the words?
Listen I gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, for you I gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, baby you know
I gotta thang for you and it hurts me
'Cause I'm holdin' back I'm so thirsty
When I open wide, you betta work inside
But promise that you won't hurt me With here we go, here we go again
'Cause I ain't got time for lies
This time ain't lookin' for a friend I need a man that's gon' wine & dine me
Every time you look you find me
Bellhoppin', he buyin' me
And plus he all mine see He Brad Pitt, I'm Jolie
When we together we always sing
K-I-S-S-I-N-G
I gotta thang for you, so how you feel 'bout me?
I gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, for you I gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, baby you know Damn you got me wide open
And I know you sayin' that I'm jokin'
'Cause tha boys in tha past, they just couldn't last
But for some reason I think u been chosen Heaven sent, don't wanna walk away
Just hold me tightly up in you arms
And tell me everyday That you ain't neva gon' leave me heartbroke
Promise to give a good long stroke
Boy this for real and this ain't no joke
Thought I was dreamin' but I know I'm woke What you done did that got me so gone?
Feels so right that this can't be wrong
Hangin' up and right back callin' yo phone

Cause I go crazy when I hear ya voice tone, ah And you know I can't wait to see your face
again, again boy
And you know I'm hopin' we can work this thing out Every time that I'm alone I'm thinkin' 'bout
us

And where we could be that's how I know
I gotta a thang for you baby I gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, for you I gotta thang for you baby you know
Don't wanna take it slow, I wanna get to know ya
Don't wanna play no games, listen to what I'm sayin'
I gotta thang for you, baby you know The way you love me, the way you love me
The way you touch me, the way you touch me
The way you love me, the way you love me
The way you touch me, the way you touch me
