

Sedona (The Voice Performance)

Thunderstorm Artis

[Verse 1]

All my bags are packed, I've gotta go
Found myself on [?] some fall back road
And?I?know you'll be?missing me
When I'm gone, when I'm?gone[Verse 2]
Wanna lose myself on a mountain range
Nothing coming but the?pouring?rain
And?I know you?won't be missing?me
When I'm gone, when I'm gone[Chorus]

And oh, Sedona

Oh, Sedona

And oh, Sedona

Oh, Sedona

I'm coming home, coming home

Home to you

[Verse 2]

Mother bows her head to pray at night
Lord, she praying she can make it right
Know she hates it when I fight
I'm on my own, on my own

[Chorus]

And oh, Sedona

And oh, Sedona

And oh, Sedona

Oh, Sedona

I'm coming home

Coming home

Home to you

Home to you[Instrumental Break]
