

# Proof

## Paramore

It's really hard  
I can't cry in your arms  
Cause you're not here  
It's not your fault  
And if it was I wouldn't care My heart is bigger than the distance  
In between us  
I know it cause i feel it beating So strong it'll knock you down So strong, so strong  
Over here I can count the miles away  
From where I wanna be  
I bet your skin is warm  
And that you're smiling  
Yeah, that's what I always loved  
The most about you  
So strong come and knock me down  
Hey!  
Baby if I'm half the man I say I am If I'm a woman with no fear just like I claim I am  
Then I'll believe in what you say  
There's nothing left for you to do  
The only proof that I need is you I'll get in my car Driving faster than I ever did before  
Head out west until I finally reach the shore  
And then I'll swim back to wherever you are  
And we'll ride the under current down to the floor  
Making friends with all the unfamiliar creatures Pushing back on the unnecessary pressure  
Come up for air just so you know we won't drown  
We're so strong, the world can't keep us out  
Hey!  
Baby if I'm half the man I say I am  
If I'm a woman with no fear just like I claim I am  
Then I'll believe in what you say  
There's nothing left for you to do  
The only proof that I need is you  
Yeah, Ooh yeah Yeah, Ooh yeah So do you love me (Yeah)  
All you gotta do is say yes  
Now do you love me (Yeah)  
And I won't ever second guess  
Now do you love me (Yeah) All you gotta do is say yes  
Now do you love me (Yeah)  
Then you've already proved it  
Yeah, Yeah  
Baby if I'm half the man I say I am  
If I'm a woman with no fear just like I claim I am  
Then I'll believe in what you say

There's nothing left for you to do  
The only proof that I need is  
Baby if I'm half the man I say I am  
If I'm a woman with no fear just like I claim I am  
Then I'll believe in what you say  
There's nothing left for you to do  
The only proof that I need is you
