

They Should Have Named You Cocaine

Jerrod Niemann

They should've named you cocaine
Your all in my brain
Drivin' me insane
They should've named you cocaineCause everytime I hold you honey
I get so high and blow all my money
But I can't complain
Cause I'm feelin' no pain
They should've named you cocaine
Got me writin' all these songs
Stayin' up all night long
Like a fast movin train
They should've named you cocaineCause everytime I hold you honey
I get so high and blow all my money
But I can't complain
Cause I'm feelin no pain
They should've named you cocaine
Cause everytime I hold you honey
I get so high and blow all my money
But I can't complain
Cause I'm feelin no pain
They should've named you cocaineI'm feelin no pain
They should've named you cocaine
