

# Rockin' Chair

**Jerry Garcia & David Grisman**

Old rockin' chair's got me  
Cane by my side  
Fetch me that gin, son  
'Fore I tan your hide  
Can't get from this cabin  
Ain't goin' nowhere  
Just sitting here [grabbing?]  
At them flies round this old rockin' chair

My dear old aunt Harriet  
Up in heaven she be  
Send down sweet chariot  
For the end of these troubles I see

Old rockin' chair  
Judgement day is near  
I'm chained to that old rockin' chair

[repeat all above]

Chained to that old rockin' chair
