

Make Me A Believer

Kirk Whalum

Superman can fly high way up in the sky

'Cause we believe he can

So what we choose to believe can always work out fine

It's all in the mind

So think of a place and imagine a time

(Imagine a time, imagine a time)

And let's go be lovers

Believing me, Ooo wee baby

Is believing right, yeah yeah yeah

And ...

Chorus:

I wanna love, wanna have, wanna hold you girl (Girl)

So make me a believer

(Wanna love, wanna love, wanna love, wanna love, wanna

love, wanna girl)

I wanna love, wanna have, wanna hold you girl (Girl)

Interlude:

Ooo so near

And forever keep you here

Forget all about whatever we fear (Whatever we fear)

And let's just be lovers

Loving and loving, oh love is the way

To make me stay, make me stay

Yeah, I know the way to persuade me over to your side

And I am sure you can

So if you get me to believe

It all will work out fine

'Cause you'll blow my mind

So let's pick a place and a day and a time (A place

and a day and a time)

And then we'll be lovers

Loving and loving, oh love is the way

To make me stay, make me stay
