

# Found You

Austin Mahone

[Verse 1]

You're mine

And I want you to know it every second, minute, hour of the day

Can't lie, I could picture being with you

'Till you take my last breath away

[Pre-Chorus]

I'll be there when you wake in the morning

Late in the evening

I'll be right there

When you say you really need me, yeah

I'm laced up for the long run, yeah

[Chorus]

So give me all of you

And I'll give you all of me

Never thought I'd find somebody, I'd do anything

To keep around me, a while now

Keep around me, a while

[Hook]

'Till I found you

Ooh (Yeah)

'Till I found you

Been losing my mind

Doubting now if I found one

Then I found you

[Verse 2]

So fine

I swear I'd do some time

If it meant just why we'd never fade away

And all night I could look into your eyes

While the moonlight complements your face

[Pre-Chorus]

I'll be there when you wake in the morning

Late in the evening

I'll be right there

When you say you really need me, yeah

I'm laced up for the long run, yeah

[Chorus]

So give me all of you  
And I'll give you all of me  
Never thought I'd find somebody, I'd do anything  
To keep around me, a while now  
Keep around me, a while

[Hook]

'Till I found you  
Ooh (Yeah)  
'Till I found you  
Been losing my mind  
Doubting now if I found one  
Then I found you  
Found you, found you  
Found you (Found you)  
Found you, found you  
Found you (Found you)

[Chorus]

So give me all of you  
And I'll give you all of me  
Never thought I'd find somebody, I'd do anything  
To keep around me, a while now  
Keep around me, a while  
And even for a second  
If you think my mind will change  
You're crazy, there's no way that I will let you slip away  
I'll keep you 'round me, a while now  
Keep you 'round me, a while

[Hook/Outro]

'Cause I found you  
Ooh (Yeah)  
'Cause I found you  
I'm losing my mind, down, then I found one  
Then I found you
