Greatest Love of All

Whitney Houston

I believe the children are our future
Teach them well
And let them lead the way
Show them all the beauty
They possess insideGive them a sense of pride
To make it easier
Let the children's laughter
Remind us how we used to beEverybody's searching for a hero
People need someone to look up to
I never found anyone
Who fulfilled my needs
A lonely place to be
And so I learned to depend on me.
I decided long ago
Never to walk in anyone's shadow
If I fail, if I succeed
At least I lived as I believe
No matter what they take from me
They can't take away my dignityBecause the greatest love of all
Is happening to meI found the greatest love of all
Inside of meThe greatest love of all
Is easy to achieve
Learning to love yourself
It is the greatest love of all
I believe the children are our future
Teach them well
And let them lead the way
Show them all the beauty
They possess inside
Give them a sense of pride
To make it easier
Let the children's laughter
Remind us how we used to be
I decided long ago
Never to walk in anyone's shadow
If I fail, if I succeed
At least I lived as I believe.
No matter what they take from me
They can't take away my dignity
Because the greatest love of all
Is happening to me
I found the greatest love of all

Inside of me
The greatest love of all
Is easy to achieve
Learning to love yourself
It is the greatest love of all
And If by chance that special place
That you've been dreaming of
Leads you to a lonely place
Find your strength in love.
