

Disenchanted

My Chemical Romance

[Intro]

Well, I was there on the day they sold the cause for the queen, and
When the lights all went out, we watched our lives on the screen
I hate the ending myself, but it started with an alright scene...

[Verse 1]

It was the roar of the crowd that gave me heartache to sing
It was a lie when they smiled and said, "You won't feel a thing"
And as we ran from the cops we laughed so hard, it would sting
Yeah, yeah, whoa

[Pre-Chorus]

If I'm so wrong (So wrong, so wrong)
How can you listen all night long? (Night long, night long)
Now, will it matter after I'm gone?
Because you never learned a goddamn thing

[Chorus]

You're just a sad song with nothing to say
About a life-long wait for a hospital stay
And if you think that I'm wrong
This never meant nothing to you

[Verse 2]

I spent my high school career spit on and shoved to agree
So I could watch all my heroes sell a car on TV
Bring out the old guillotine, we'll show them what we all mean
Yeah, yeah, whoa

[Pre-Chorus]

If I'm so wrong (So wrong, so wrong)
How can you listen all night long? (Night long, night long)
Now, will it matter long after I'm gone?
Because you never learned a goddamn thing

[Chorus]

You're just a sad song with nothing to say
About a life-long wait for a hospital stay
And if you think that I'm wrong

This never meant nothing to you

[Post-Chorus]

So go, go away

Just go, run away

But where did you run to? And where did you hide?

Go find another way, price you pay...

[Bridge]

Whoa, whoa, whoa, whoa...

Whoa, whoa, whoa, whoa!

[Guitar Solo]

[Chorus]

You're just a sad song with nothing to say

About a life-long wait for a hospital stay

And if you think that I'm wrong

This never meant nothing to you, come on!

You're just a sad song with nothing to say

About a life-long wait for a hospital stay

And if you think that I'm wrong

This never meant nothing to you...

[Outro]

At all, at all...

At all, at all...
